Dear Colleagues,

Greetings from the office of NZ-ISNCON-2026

We are proud to announce the 30th Annual conference of Indian Society of Nephrology Northern Zone will be held on April 10-12th, 2026, in The Hotel Hyatt Centric Dehradun.

Dehradun, nestled in the foothills of the Himalayas, is a serene city known for its natural beauty, and rich cultural heritage, making it an ideal destination for learning and collaboration. The conference venue, the Hotel Hyatt Centric Dehradun, offers convenient accessibility, being just 45 minutes away from the Jolly Grant airport, Dehradun.

The NZ-ISNCON-2026 scientific committee aims to bring together an outstanding group of speakers, comprising a mix of experienced and early-career kidney health professionals who will cover a range of exciting topics within nephrology and related fields. This will be a “Conference with a difference,” which will avoid standard didactic presentations and have a strong focus on case-based participative approach.

We hope that this combination of high-quality scientific content that will have a Dehradun flavor in more ways than one, and the opportunity to meet with colleagues from the zone and exchange knowledge in a collegial environment will attract large number of delegates who will benefit from the latest research and up-to-date information.

Regards,

DR. SANJAY D CRUZ
ORGANIZING CHAIRMAN
(ISN-NZ)

DR. RAJA RAMACHANDRAN
ORGANIZING SECRETARY
(ISN-NZ)

DR. VIKRAM SINGH
ORGANIZING CHAIRMAN
(DNA)

DR. PUNEET ARORA
